DIRECTOR LEO L. QUINTILLA

DSWD CAR

2600 North Dr, Baguio, Benguet

2600, Baguio City

Dear Director Quintilla,

My attention was immediately drawn to the ad on facebook in which you state you are looking for a Computer Programmer. The profile you have outlined fits me very well as I will further explain in this letter.

I am currently working as a Freelance Web Developer. In this position I am responsible for Project Management and development of web applications. My current project involves the development of an e-commerce site for artists in the Cordilleras. I am also assisting in the development of the collection and billing system of La Trinidad Water District.

I would describe myself as someone who is career-oriented. Combined with my experience, I believe that I can make a valuable contribution to your organization. I see the position of Computer Programmer II as the perfect next step in my career. In this position, I expect to be able to develop myself further as a professional.

I would like to further explain my motivation for the position during a personal meeting. You can reach me either by phone via 09662035975 or by email via globalinnuendo@gmail.com.

Sincerely,
